

Hi,

Newsletter March 2021-03-12

Thanks to everyone who joined our Lexher Quiz Night this week!

Niklas did a great quiz with the subject Corona Memes this time and it was quite challenging.

The winner on 1st place was Sheena and 2nd and 3rd Peter and Jimmy.

RED HAT

A new SLACK channel is created called **# red hat**. Join the channel to get Red Hat news and updates from the Red Hat world.

NEW COLLEAGUES

Welcome **Peter Lundgren!** Peter joined Lexher last week as network technician. Peter's focus is both with Cisco and Juniper and also planning to enhance some more knowledge within security and firewalls as well. He has been working for customers like Siemens and Ericsson in his latest assignments. Currently living in the south part of Stockholm.

Welcome **Sheena Aggarwal!** Sheena joined Lexher this week as a senior Linux system administrator. Before Lexher she was working as TAM for the last 5 years. Her Linux admin experiences are a history of system and server administration and troubleshooting. She is currently also enhancing her skills & knowledge on public cloud and Devops side as well. Sheena is from India and graduated in computer science. She came to Sweden in 2015 and she is living in Stockholm with her family. She is married and have two kids age of 10 and 4. She likes to spend quality of time with her family and read books on her free time.

COLLEAGUES MOVING ON

Good luck to **Bernardo Troncoso** joining Swedbank IT this month. It has been a pleasure working with him and he has promised to visit Lexher soon again after settled in his new role.

We also say thanks to **Sanmi Omogunloye** who started a new job at Nordea in the beginning of the year and wish him all the luck.

NEXT COMPETENCE SHARING EVENING

Welcome to our next competence sharing evening the 18th of March where Mattias shares his passion and basics in InfiniBand.

Have a great weekend all of you!
