

The spring is actually here! 😊

Hope everyone had a great easter and a few more days off to reload.

NEXT COMPETENCE SHARING EVENING

The 21st of April Niklas Lund will share some basics in Python and we are really looking forward to it. See you there 😊

SPRING ACTIVITY OUTSIDE

Our spring activity is planned to take place in May in small groups outside, more information will be shared closer to the activity.

COLLEAGUES MOVING ON

We wish [Diana Nesic](#) all the best in her new job at Cloud Nine AB and for the great time working with her as consultant manager and in the Sales & Delivery team.

We also say good bye and thanks to [Sheena Aggarwal](#) who stayed a short time at Lexher, since she decided that she did not want to work as a consultant anymore.

RED HAT

Remember to always spread the word about our excellent Red Hat trainings and also the great possibility to purchase all Red Hat software/products directly from us! Contact Eva for any questions or guidance!

Have a great sunny week! ☀️

Trevlig Helg!
Lexher Team
