

Happy Friday!

Summer is here! Over +30 degrees Celsius in Stockholm this weekend – now we're all hoping the warm and sunny weather will last through Midsommarafton next week!

INTERNAL RECRUITMENT

Extremely happy to welcome our new HR-manager on Monday, Alexandra Wattley. Alexandra will work closely with Hanna in June before she leaves and we hope you soon get to meet her!

RED HAT Training

We're sensing an increasing interest for our Red Hat Training – we have already booked trainings for both Svenska Kraftnät and Handelsbanken, and we have offers out for more. Don't hesitate to contact Eva or Mattias F if you sense any interest of education where you are!

Red Hat says: "365% ROI within three years" – who can beat that? Get educated 😊
