

*Happy Friday!*

Summer vacations are getting closer for most of us, some parts of the business might be slowing down, and so this is the last newsletter until mid-August.

### **New HR**

It has been a busy couple of weeks with the handover from Hanna to Alexandra who is the new HR and looking forward to seeing you all very soon.

### **Colleagues moving on**

This week we are saying *"good luck and hope to see you again"*, to Anna Jagdhar, Niklas Lund and Hanna Sundin who are all moving on to new adventures. We wish them the very best of luck going forward!

### **RED HAT Training**

Training and sales division continue to spread the Lexher knowledge. We've had successful meetings with Red Hat, and they really appreciate our efforts.

Please remember to always mention Lexher, we can deliver training, consultants AND software – not bad!

Another of our offers just turned into an order – now Länsförsäkringar updates their Red Hat skills.

### **Social media**

In the fall we are looking to step up our social media game and we need your help! First, we would like to ask you all to contribute to our Instagram feed by submitting your ideas and pictures and such in the Slack-channel #poststopublish. Here you can also submit ideas and input to all our social media channels, such as the intranet, LinkedIn and so on. Secondly, we would like to have a reoccurring post where we briefly introduce our colleagues. Who is up for the task and want to be the first one out in august? Let us know!

### **Lexher at MEETUP.com**

We want to continue producing content to MEETUP.com but we need your help.

Please send us your input of what you would like to see there or if you yourself would like to contribute to the content in some way. Send it to #meetup on Slack.

### **Culture Group – Join us!**

This week the Culture group met up for the 3<sup>rd</sup> meeting. Where we discussed many interesting ideas. Since Anna who was a part of the group is leaving, we want to remind everyone that if you wish to contribute and have a say on things join us! Contact the HR Manager to be a part of the group.

### **Next team activity**

The next team activity is planned to take place on the 16<sup>th</sup> of September. You should all have received a place holder via email.

*Have a great weekend and a  
fantastic summer!*

*Lexher Team*
