LEXHER

Happy Friday!   2021-04-23

We enjoyed a fantastic competence sharing evening Thursday this week, many thanks to Niklas Lund who made us more interested and knowledgeable in python and its possibilities. The material from the presentation will be shared on the intranet.

CAKE TIME☺

Great work Alexander with certification in RHCSA 8!
We celebrate with cakes at
skatteverket.

ASSIGNMENTS

Thanks to Erik and Max for extra engagements in our customer Winteria during April. The customer needs extra help during some time to set up their IT-environment in Hudiksvall.

Congrats to Peter Lundgren for a new assignment at NTT as Devops SecOps consultant.

CULTURE GROUP

Next scheduled meeting is on the 28th of April for 1 hour during lunch time.
If you want to join, contact Hanna or Eva for an invitation.

MEET UP

Lexher can now be found at meetup.com and you can access the Lexher group directly via this link https://www.meetup.com/lexher-ab-competence-worth-sharing/
Join Lexher as a member so you do not miss out on any upcoming meetups!

We haven't set a date for our first event yet, we plan a series of meetups with info from Lexher regarding
Red Hat Training, Ansible, OpenShift, Telco and probably one meetup regarding our distributor partner Arrow
and the joint venture IBM-Red Hat. Eva, Mattias Fahlin and Niklas Holmström will arrange these meetups.
If you have any wishes or ideas on topics! to make Lexher show and shine – increase visibility and awareness! Send all your suggestions to Eva.

Enjoy your upcoming weekend!
